How does it work?

The concepts are simple. Crime Stoppers will pay cash rewards to callers who provide information about a crime which leads to the arrest of the individual(s) responsible for that crime, recovery of stolen property or the seizure of illegal drugs.

- Callers remain anonymous.
- Calls are answered out of town by civilian operators.
- Crime Stoppers does not subscribe to Call Display.
- Each caller is given a confidential code number for identification.
- Calls back are encouraged to 787-8477, using your code number, for an update on the investigation, or if a reward is forthcoming.

Rewards of up to \$2,000.00 are available based on the seriousness of the offence, information provided and the results obtained.

**CRIME DOESN'T PAY,
CRIME STOPPERS DOES!**

Who is Crime Stoppers?

Crime Stoppers is composed of three main groups: volunteer Civilian Board members, the media, and the RCMP and other law enforcement agencies.

All three make it work:

- Civilian board administers the program and raises funds.
- Media create awareness and promote the program.
- Law enforcement (RCMP) investigates the TIPS.
- Civilian Board is not privy to specific details but is given enough information on the investigation to make an informed decision as to the reward amount.
